Instructions to Reviewers:

All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

The attached copy of the application, any copies made therefrom and this form must be returned to the IO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

For Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

This application is subject to the provisions of 35 USC 181, which requires that the applicant, inventor, or assignee of the application shall not divulge the contents of the application for any purpose other than the administration of the laws of the United States relating to patents. This application is also subject to the provisions of 35 USC 184, which requires that the applicant, inventor, or assignee of the application may not file the application in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.
